Sir,

Subject - Provision of water supply to the Sheep Slaughter House at Kesare

---

I write to state that the sheep slaughter house at Kesare, the revised estimate in respect of which has been sent to you with this office No C2. C R. 1108/16-4-53, for obtaining sanction of Government is now ready for occupation, the construction having been completed. But it has been found not possible to put this into service for want of water supply facilities. The Executive Engineer who was requested to send up proposals in this behalf has forwarded an estimate for Rs 9000/- for drawing a line from the nearest main As there are loud complaints about the insanitary condition of the present temporary slaughter house at Jalapuri and the occupation of the new building that is ready is also necessary in the interest of the safety of the building itself, the estimate was got scrutinized by the Chief Engineer to the Government of Mysore and the amount of the estimate placed at the disposal of the Executive Engineer Water Supply Division Bangalore, with a request to take up the work in anticipation of sanction of Government. The estimate has been duly approved by the Council at the meeting held on 30-4-53.

I enclose herewith a copy of the resolution referred to above together with the estimate for Rs. 9000/- and request that orders of Government may kindly be obtained sanctioning the estimate and ratifying the action taken and the same communicated

communicated for further action.

Yours faithfully,

T Venkataramaniah
